SANTINO VAZIUTA

Wordpress Developer

I am a dedicated WordPress developer with a strong focus on creating high-performing, user-friendly websites and exceptional problem-solving skills.

WORK EXPERIENCE

Web Developer

June 2023 - Dec. 2024

Vortex Web Argentina

I worked as a Web Developer, specializing in delivering customized solutions tailored to clients' needs. My experience includes working with WordPress, Elementor, Gutenberg, and Divi to create dynamic and user-friendly websites.

Web Developer (Internship)

Dec 2024 - Mar. 2025

Refindable LLC

As a Web Developer, I provided tailored digital solutions to meet diverse client needs. My expertise includes working with WordPress and Shopify for website development, as well as Klaviyo and Campaign Monitor for optimizing email marketing and Zapier for automation.

EDUCATION

University Technical Degree in Software Development
